

Winston-Salem Welcomes Cycle NC!

Mountains to the Coast 2023 Ride

We are partnering with Cycle NC, a department of North Carolina Amateur Sports, to host the Mountains to Coast ride and they will be overnighting in Winston-Salem on Monday, October 2, 2023, at Long Creek Park Trail and University-area hotels.

The event organizers expect there to be more than 800 riders participating in this annual event and we're excited to be hosting them in our community.

Cyclists will begin arriving to the "Summit", Long Creek Park Trail at Noon on Monday, October 2, and beginning at 4:00pm through 9:00pm, there will be continuous shuttle runs between Long Creek Park Trail, Best Western Plus University, Carolina Classic Fairgrounds, Courtyard University, Foothill's BrewPub and Wiseman Brewing.

Organizers have emphasized the importance of being prepared for participants coming into the downtown area to enjoy food, drink, Monday Night football-watching and exploring our city.

As many businesses are closed on Mondays, we wanted to alert our partners who *are* open, for potential high volume guests during this evening.

Please contact Kay Calzolari at 336-728-4237 or kay@visitwinstonsalem.com if you have any questions.
